Real Hair Fringes on Soft Jersey Headbands £24.99

NEW AND IMPROVED! double the fringe thickness same price!

These Soft Jersey Headbands with a section of Real Hair are hand made to order by a respected UK wig maker. Great on the beach with a sun hat or out on the golf course under a cap.

Designed to be cut, designed to be flexible.

Have the fringe trimmed by your stylist to create your own look, but why not try them as a pony tail, worn partly to one side - get creative and have fun!

*Hair approximately 18cm wide by 20-22cm long.
Soft Jersey Headband approximately 7cm, hat size 57cm*

Sleep Hats

We reckon our sleep hats are the best out there, but don't take our word for it; many NHS hospitals and cancer trusts order from us.

Designed with cancer patients in mind, by a cancer patient, our sleep hats are hand made from soft, lightweight microfibre with just one seam across the top to maximise comfort.

Unlike fleece, which can get a bit hot and sweaty, microfibre is breathable so helps wick moisture away keeping your head comfortable all year round & helping towards a good nights sleep.

Visit our www.hats4heads.co.uk or call 0845 576 4287 for information on latest styles & availability.
